

Manipal Melaka Medical College now provides you the pathway to medical licensure in the US. To succeed on the USMLE®, you have to meet the right people!

Prepare with the World Leader in the USMLE Prep in Malaysia at the Melaka Manipal Medical College Muar Campus

Melaka Manipal Medical College is proud to partner with Kaplan Medical to offer medical students and medical graduates Kaplan's live programs and exclusive resources.

For over 40 years, Kaplan have helped tens of thousands of students score high on the USMLE and gain residency in the USA.
