## CME WEBINAR

For Medical Professionals on

### Ablation For AF: Progress In 2 Decades

-  24 April 2021
-  2p.m. - 3:15p.m.
-  Zoom - Online Webinar

#### GUEST SPEAKER:

Dr Kelvin Wong

*Consultant Cardiologist*

*Mount Elizabeth Medical Centre*

Catheter ablation for AF has been around for more than 2 decades. Technology and techniques continue to improve. Where are we now? What can we look forward to in the future?
